Request for statement by the Ex-Minister Sri T. Siddalingaiah re : reasons for resignation.

Mushir-ul-Mulk J. MAHOMED IMAM (Chitaldrug *cum* Tumkur—Muslim).—Before actually going to the regular business of the House I wish to seek information on a certain point. Since we last met, we find that great many changes have taken place, specially that relating to the resignation of Sri T. Siddalingiah as Minister. When he resigns his office he owes an explanation to this House under Rule 26 of the Legislative Rules.

Mr. SPEAKER (The Hon'ble Sri V. Venkatappa).—If he chooses.

Janab J. MAHOMED IMAM.—Yes, if he chooses. But we the members of this House are entitled to know the causes that led to his resignation. I know it is not mandatory but discretionary. On behalf of the members of this House I am requesting him to let us know the reasons that led to his resignation.

Mr. SPEAKER.—He is not here.

Janab J. MAHOMED IMAM.—I will have entered my claim anyhow. When he comes, the Hon'ble Speaker may ascertain.

Mr. SPEAKER.—I do not think it is the duty of the Speaker. It is left to the Hon'ble Member to make a statement or not.

The Hon'ble Sri K. CHENGALARAYA REDDY (Leader of the House).—On a point of order, Sir. I think, as the rule stands, it is not open to any Hon'ble Member to suggest or to claim or make any demand that a statement should be made by a Minister when he has resigned. The initiative rests with the Minister who has resigned. If the Minister chooses, he has to seek the permission of the Chair and make a statement but it is not open to any Hon'ble Member to make any suggestion or claim on his behalf.

Janab J. MAHOMED IMAM.—With all due deference to the Chair, I say that these are very important matters arising for the first time in the history of democracy in Mysore.

Mr. SPEAKER.—There were Ministers previously who resigned and who made no statements at all.

Janab J. MAHOMED IMAM.—I want to submit that when all these matters are concerned and when controversies arise, the Chair should give adequate scope for the member.....

Mr. SPEAKER.—Certainly, if he wants to make any statement.

Janab J. MAHOMED IMAM.—For example, the Hon'ble Leader of the House was pleased to raise a point of order that it was not open to any Member to make a suggestion that the Minister should make a statement. On that point the Chair must also allow other members to express their opinions. Nothing prevents the Chair from being arbitrary or giving a decision, but in such matters it is better for the Hon'ble Speaker to ascertain the views of the members. Secondly, this is the first time that such a question has arisen.

Mr. SPEAKER.—This is not the first time. There are three Ministers who resigned previously.

Janab J. MAHOMED IMAM.—Under different circumstances.

Sri L. SIDDAPPA (Shimoga District—General).—After the introduction of the Constitution there was that change. But here a particular Minister resigned from the Cabinet. The convention is for him to make a statement.

The Hon'ble Sri H. C. DASAPPA (Minister for Finance and Industries) — May we know why my friends are so solicitous about the Minister making a statement? It is up to him to make a statement if he chooses.

Sri L. SIDDAPPA.—He owes a duty to the House and to the public.

Janab MOHAMED VALIULLA (Kolar —Muslim).—The Chair was pleased to say that it would give a ruling on the adjournment motion tomorrow.....

Mr. SPEAKER.—I have said that I will give my ruling tomorrow on the question of admission or otherwise of the adjournment motion.

Janab MOHAMED VALIULLA.—The Chair may please hear me. We have been kept in suspense till tomorrow. We do not know what the adjournment motion is about.

Laying on the Table the Report of the Delimitation Committee of the Assembly.

Mr. SPEAKER (The Hon'ble Sri V. Venkatappa) —The Hon'ble Minister for Law may now place on the table the report of the Delimitation Committee of the Assembly.

The Hon'ble Sri K. T. BHASHYAM (Minister for Law and Labour): Sir, I beg to place on the table the Report of the Delimitation Committee of the Assembly.

I learn that copies have been distributed to the Hon'ble Members yesterday.

Sri L. SIDDAPPA (Shimoga District —General).—In connection with this matter.....

Mr. SPEAKER.—There is no discussion on this matter.

Sri L. SIDDAPPA.—I mean that in the programme that has been furnished to us it is nowhere stated that this report will come up for discussion. I would like to know whether there will be discussion on this report in this House or not. Because, so far as the Public Accounts Committee Report is concerned, a day has been fixed for discussion (The Hon'ble Sri H. C. Dasappa: As usual) as usual. So far as this report is concerned, it was agreed on the previous occasion when the Committee was formed in this House that the report would come up for discussion here. I am only bringing to the notice of the Chair that no day has been fixed for discussing this report.

The Hon'ble Sri K. T. BHASHYAM.—There is no need for a discussion of this report because the Government of India wanted us to submit our proposals and we have done so on the basis of this report of the Committee appointed by this House. The Parliament of India also appointed an advisory body who have submitted their own report. In the light of both these reports, the Hon'ble President will frame a Bill and place it before the Parliament and the Parliament will be the final authority in the matter. No purpose will be served by our discussing this report. In any case, on the motion of Address of Thanks to His Highness the Maharaja it is open to the Hon'ble Members to make such remarks and comments on this report as they please, because it forms a part of the Address by His Highness the Maharaja to this House. With these remarks I go to the next item of the programme.

Mushir-ul-Mulk J. MAHOMED IMAM (Chitaldrug *cum* Tumkur—Muslim).—When this Delimitation Committee was constituted by this House it was definitely said—please look into the previous proceedings—that this Committee would finish its work and then a report would come before this House for its approval. Even the Hon'ble Minister said that this Committee's report should come before this House, and it is only after ratification by this House that it would become a final report, but on account of the exigencies of the times, the report would be sent. Anyhow, the Committee's report must be ratified by this House. I am surprised at the attitude taken by my friend now. Anyway, such a thing has happened. The report of any Committee that has been appointed by this House must come before this House for ratification. Otherwise, where was the necessity for the Government to have brought forward a motion regarding delimitation of constituencies at that time? It was promised by the Treasury Bench that this Delimitation Committee's report would be placed before this House. On account of conflicting opinions and dissenting notes, it is quite necessary that this report must be placed before this House. Otherwise, they would go by default and it is contrary to the procedure and this House will not be responsible for this report. Such a method has never been observed by any other State or any other Legislature.

Sri L. SIDDAPPA.—Moreover, it would be against the direction of the very House which was given on the previous occasion.

Mr. SPEAKER.—The resolution does not state that its report should be presented to this House.

Laying on the Table Ordinance promulgated by Rajpramukh after the last Session.

The Hon'ble Sri K. T. BHASHYAM (Minister for Law and Labour).—Sir, I beg to lay on the Table of the House the City of Bangalore Municipal Corporation (Amendment) Ordinance promulgated by the Rajpramukh His Highness the Maharaja in pursuance of article 213 (1) of the Constitution, as required by clause (2) of the said article.

Election to the Eleven Standing Committees.

The Hon'ble Sri K. CHENGALARAYA REDDY (Leader of the House).—Sir, I beg to move:

"That this Assembly do proceed to the election of six members each to the following eleven Standing Committees constituted by G. O. No. 2939-3028—L.A. 87-50-1, dated the 5th January 1951, namely, Standing Committees in respect of—

1. Finance,
2. Agriculture, Food and Civil Supplies,
3. Education,
4. Electricity
5. Public Works,
6. Medical and Public Health,
7. Local Self-Government,
8. Industries and Commerce,
9. Labour,
10. Rural Development and Co-operation and
11. Publicity and Information."

Mr. SPEAKER.—Motion moved.—

"That this Assembly do proceed to the election of six members each to the following eleven Standing Committees constituted by G. O. No. 2939-3028—L.A. 87-50-1, dated the 5th January 1951, namely, Standing Committees in respect of—

5. Public Works,
6. Medical and Public Health,
7. Local Self-Government,
8. Industries and Commerce,
9. Labour,
10. Rural Development and Co-operation, and
11. Publicity and Information."

Sri L. SIDDAPPA (Shimoga District—General).—Sir, I would like to know under what provision of Law these committees are proposed.

Mr. SPEAKER.—A Government Order has been issued. These are purely advisory committees.

Sri L. SIDDAPPA.—Even for advisory committees there must be some provision of law. So far we have no provision for constituting the Estimates Committee, and you were pleased to issue a notification by which you added one more rule. I submit that there is no provision either in the Rules or in the Standing Orders or in the Constitution of India for constituting these committees.

Mr. SPEAKER.—Just like the Committee that was formed for discussing the delimitation of constituencies, these are purely advisory committees. Government want certain members to advise them.

Sri L. SIDDAPPA.—In that case they could have moved the Hon'ble Speaker of this House to make ample provisions in the rules for constituting those committees. Since they have not done so, I submit this is not in order. For this reason I oppose this motion.

Mr. SPEAKER.—The question is:

"That this Assembly do proceed to the election of six members each to the following eleven Standing Committees constituted by G.O. No. 2939-3028—L.A. 87-50-1, dated the 5th January 1951, namely, Standing Committees in respect of:

(The Hon'ble Member Sri L. Siddappa opposed the motion at this stage also).

The motion was adopted.

Mr. SPEAKER.—Yes.

RAJPRAMUKH'S SPEECH.

Debate on the Address of Thanks.

Mr. SPEAKER (The Hon'ble Sri V. Venkatappa).—Sri M. Govinda Reddy may now move his motion.

Sri M. GOVINDA REDDY (Chitaldrug District—General).—Mr. Speaker, Sir, I beg to move :

"That an Address be presented to His Highness the Maharaja in the following terms :—

"May it please Your Highness,

We, the members of the Mysore Legislative Assembly assembled in this session, beg leave to thank Your Highness for the Address delivered to the Assembly."

I deem it a great privilege and honour to be able to move this motion of Address of Thanks to His Highness for the gracious address with which he opened this session of the Assembly yesterday. I beg to invite the attention of this House to the unique feature of the address inasmuch as this address has followed the true conventions of the King's Address to the Parliament in Great Britain. Only subjects of outstanding importance have been referred to in that address. One of the most outstanding subjects and a subject of great sorrow for us is the reference to the loss of our revered leader Sardar Vallabhbhai Patel. After dipping this country in a sea of sorrow by the loss of the Father of the Nation, that Providence should have dealt a cruel blow to us by snatching away this great son of India, this great revered leader; from our midst, is a loss and blow, Sir, which is hard to bear. It is a loss which has brought our cup of sorrow to the full. We have begun the proceedings of this morning by paying our homage to the memory of our great leader. Eloquent tributes have been paid on the floor of this House by the Hon'ble Leader of the House and by other Hon'ble Members of this House and by your good-self, Sir, to the great qualities of heart and mind of the leader, to the great services the
